

FROM CHILE TO THE WORLD / VALPARAÍSO / PUERTO VARAS / ANTOFAGASTA

AIA Miami Members

The Chilean Export Promotion Bureau of the Ministry of Foreign Affairs – ProChile – with great pleasure cordially invites you to attend ENEXPRO 2017—a major business event to showcase the best of products and services offered *From Chile to the World*.

More than 800 Chilean exporters and 200 international buyers are expected to attend this important event. **ENEXPRO** will be held in three iconic cities—Valparaíso, Puerto Varas and Antofagasta—from May 7<sup>th</sup> to the 13<sup>th</sup>.

The events prepared are as follows: For companies whose business is focused on professional services, including the architecture and construction industries, manufactured goods, and food products, the event will be held in the city of **Valparaíso**, the main port in Chile, from May 7<sup>th</sup>-9<sup>th</sup>. For those interested in gourmet, seafood products and wood industry, the event will be hosted from May 10<sup>th</sup>-11<sup>th</sup> in **Puerto Varas**, which offers an abundant range of products from the South of Chile, known for its location in the “Lake District”. And, for those interested in mining industry/suppliers, there will be a special program on May 12<sup>th</sup>-13<sup>th</sup>, in the northern city of **Antofagasta**, located in the Atacama Desert and regarded as the hub of the Chilean mining industry.

At each one of these cities, you will have the opportunity to: have one to one meetings with Chilean export companies; to attend keynote presentations; attend plenary sessions, as well as make site visits. Furthermore, upon request, we can arrange tailor-made itineraries to make your trip most productive for your business goals.

This invitation covers: international flights in economy class, transportation within Chile, meals, accommodation and travel insurance.

We hope to have the opportunity to host you and showcase the companies in Chile that with excellent and diverse offer such as:

- Software Design and Development for Architecture and Construction
- Services to assist with Smart Buildings and more efficient construction
- Professional & Consulting Services
- 3D Model Design
- BIM Consulting and Implementation
- Arquitectural & Concept Design
- Master Plans and Urbanism
- Social Housing & Alternative Solutions
- Sustainable and Green Architecture, Design, and Construction
- Architecture consulting for residential and non residential construction, private and public projects, inclusive infrastructure, retail and industrial.

We thank you for considering our invitation and, should you require any further information, please do not hesitate to contact Jaime Silva, Trade Manager, ProChile Miami at [jasilva@prochile.gob.cl](mailto:jasilva@prochile.gob.cl).

We look forward to your reply and to hopefully seeing you in Chile,

*Sacha Garafulic*
