

# IN EX TERIOR

Building a mutual space

**A Presentation by**  
**Yoandi Rizo**  
**Principal at Guarapo Estudio, Cuba**

Join up-and-coming Cuban architect, Yoandi Rizo, and hear about the challenges of being an architect in Cuba today and the tools that must be developed to practice the profession. Mr. Rizo will explore the process of building a space where the creation and the spirit could be free from any economic, social or political pressures.
