---

1840 South Treasure Drive Apt. #12 North Bay Village, FL 33141 :: 305.607.9436 :: dogusoren@gmail.com

## education

**Bachelor of Architecture** :: December 2016  
Florida Atlantic University

**Associate in Arts Architecture** :: December 2011  
Miami Dade College

## work experience

**Research Assistant / Project Designer** :: 2016  
NOAA / Florida Atlantic University / City of Fort Lauderdale

Research Info:

NOAA SEA Grant **ADaPT**: Adaptation Design and Planning Tool for Urban Areas in the Coastal Zone. This project includes stormwater modeling in the North Beach Village and creation of a "How-to Adapt" Manual, a design and planning tool that creates a design framework to address the economic, environmental, and social quality of life consequences of storms, sea-level rise, and changing rainfall and runoff patterns in coastal areas such as the North Beach Village.

Role:

- 3D modeling and mapping for the base files.
- Site analysis
- Research on local ecology
- Design of the observation tower at the Bonnet House

**Architectural Sales / Graphic Designer** :: 2010-2016  
Marble Systems, Inc.

Role:

- Sales representative focusing on architecture firms
- Design advisor
- Graphic design and photography for the catalogues, websites, ads.
