Join us for a presentation on the findings of the Miami 21 Code Workshop "Shaping the Future of Miami: Designing for Sea Level Rise" and for a conversation on process during the last code change.

Presenters

Ana Benatuil, AIA, LEED AP
AIA Miami SLR Co-chair
Associate | Gensler
Benatuil is currently leading a Gensler Research team exploring how development codes could adapt to increasing coastal challenges in Miami and other major cities around the world.

Shawna Meyer, AIA, LEED AP
AIA Miami SLR Co-Chair
Founding Principal | Atelier Mey
Meyer is a Lecturer at the University of Miami School of Architecture and a Lead Researcher in the U|SoA LU_Lab

In Conversation With

Elizabeth Plater-Zyberk, FAIA, CNU
Founding Partner, DPZ CoDesign
Malcom Matheson Distinguished Professor of Architecture, U|SoA
After 18 years as dean of the School of Architecture, Plater-Zyberk now directs the Master in Urban Design Program at UM. At DPZ, she leads and manages projects ranging from individual building design to new community design, community rebuilding, regional plans and zoning codes.
