Earn Your HSW Credits

Sign up for the Virtual DTE, coming to your computer screen November 11-15 and December 2-5. AIA Members can earn the 22 required HSW LU’s for $10 for a 1-week pack or $20 for a 2-week pack.

Note:
This year, due to matters beyond our control, AIA Miami will not be able to provide a private Advanced FBC Credit course. In order to receive the 2 Advanced FBC Credits, members should attend AIA Florida’s Advanced Class. The price is $99 for members & $120 for non-members. The date is October 23 at 10:00 am and has separate registration.
