Selected Academic Work

Design Studio Projects

2022 - 2026

Carbon Emissions Design Studio | Zero Studio 1

- Researched zero-emissions design frameworks, lifecycle analysis methodologies, and carbon calculations using EPD data.
- Analyzed Indonesian vernacular building strategies and low-carbon material systems as part of a collaborative village masterplan and individual design proposal.
- Developed plans, sections, details, and diagrams to communicate design intent, material selection, and carbon reduction strategies.

Contextual Design Studio | International Studies Vicenza Studio

- Developed an opera house proposal through site analysis, mapping, sectional studies, and Rhino modeling in a collaborative two-person team.
- Produced sectional drawings and renderings to communicate spatial relationships and design intent.
- Contributed significantly to the project's digital modeling and visualization efforts while learning and implementing D5 Render workflows.

Relevant Experience

Home of the Shadows #2 | Competition Participant

2024

- Developed architectural models, drawings, and plans using Rhino and Adobe Illustrator.
- Conducted site analysis and design research to inform project development and establish a cohesive design narrative.
- Produced presentation materials to communicate final design solutions.

Literary Magazine | Chief Co-Editor

2020 - 2022

- Led editorial planning and coordinated contributions from student organizations, photographers, and faculty contributors.
- Designed publication layouts and major spreads to maintain visual consistency and strengthen overall presentation quality.
- Managed contributor coordination and project timelines while balancing editorial direction with collaborative input.

Flamingo Gardens | Gallery Assistant

2020 - 2021

- Managed gallery exhibits and engaged with visitors to support a positive guest experience.
- Assisted with exhibit installations, gallery operations, and closing procedures
- Maintained organization and attention to detail while adapting to a fast-paced public environment.
