- Fluent in English and Spanish

WORK EXPERIENCE

Cooper Carry Inc.

Designer II

July 2019 - Present

- Generated detailed construction drawings and details, following code regulations.
- Composed drawings for schematic design, design development, and construction documents.
- Illustrated design sketches, renderings, models, graphics, details, sections, elevations, and schedules to assist with project deliverables.
- Conducted weekly design team meetings, contributing to developing new ideas and coordinating specifics with engineers.
- Developed conceptual designs into details plans, creating floor plans, elevations, sections and 3D views.
- Mentored Designer I to document construction documents appropriately and taught them practical modeling techniques. Collaborated in the design and planning of medium and high-scale projects in the hospitality and residential studio.
- Assisted the team in programming and space planning by collaboratively analyzing client and project needs.
- Researched building codes and requirements and applied them to the design.

Designer I

July 2018 - July 2019

- Created rendered drawings of floor plans, sections, elevations and 3D views for various client and city meetings.
- Participated in client meetings to understand project requirements and incorporate feedback into design solutions.
- Coordinated with various consultants, such as engineers and interior designers, design details to integrate their information into the architectural drawings and ensure project specifications were met and drawings were coordinated.
- Contributed to the development of construction documents, including plans, details, sections and elevations. Going from schematic design all the way to construction documents.

7Ave. Design

Intern

July - September 2017

- Worked closely with architect Manuel Rodriguez on the design and drawings of small and medium-scale projects.
- Conducted thorough material research for innovative and sustainable construction options.
- Took precise site measurements for accurate architectural planning.
- Ensured compliance with city regulations and standards by meticulous review.
- Contributed significantly to delivering top-notch architectural solutions, blending creativity, attention to detail, and client-centric understanding.

Untitled @ Art Basel

Art Exhibitioner

December 2017

- Collaborated with SCAD Museum of Art, ArtiCruz, and Cruz-Diez Art Foundation for "Chroma" at Miami Beach Special Project.
- Organized a cutting-edge display showcasing ArtiCruz and Cruz-Diez Art Foundation's innovative work.
- Oversaw and executed the exhibition by applying expertise in project management, art curation, and event coordination.
- Leveraged creativity to enhance "Chroma" and contribute to Miami Beach's cultural landscape.
