05/2026

Virginia Tech, Blacksburg, VA

- 3.9 GPA

Bachelor of Architecture

06/2020

Jawaharlal Nehru Architecture & Fine Arts University, Hyderabad, India

- 4.0 GPA

PROFESSIONAL SUMMARY

I am passionate about healthcare, sustainability and community-oriented designs. With over 3 years of experience across architecture and interior design, I have contributed to residential, hospitality, healthcare, and community-focused projects. As a LEED Green Associate, I am particularly interested in creating thoughtful, resilient, and sustainable spaces. I am hardworking, detail-oriented and dedicated to make an impact on the way we live through the spaces we create and the environments we shape.
