Fluent in English

Accomplishments

Won first place in a sustainable tower competition located in Miami

Work Experience

Legendary Guest Services Rep.

Orlando Magic

January 2022 – May 2023

- Engaged with guests, offering comprehensive information on room features and expertly navigating them through property amenities, operational hours, and local attractions.
- Ensured safety and readiness by meticulously recording and managing contingency lists, a critical resource for emergency preparedness.
- Resolved guest concerns and service requests, acting as a dedicated problem-solver and preserving a seamless and delightful guest experience.

Digital Designer

Shulamit Interiors

October 2021 – February 2023

- Crafted and curated visually captivating 3D renderings, documented, and presented meticulously to captivate and engage stakeholders.
- Transformed printed floor plans by skillfully converting them into precise digital renditions, adding architectural prowess and innovation into each project.
- Collaborated seamlessly with design peers, translating concepts into dynamic 3D spaces using advanced modeling software.
- Redesigned spaces to align with customer preferences while making executive design decisions, consistently exceeding expectations.
- Developed successful exclusive 3D designs for residential and corporate settings.

Project Roles

Lead Designer

Design 6

January 2022 – May 2022

- Conceptualized innovative design concepts, and sketched initial ideas.
- Ensured team cohesion and project alignment, fostering productive and harmonious work environment.
- Transformed abstract ideas into tangible 3D models and renderings.
- Attuned to clients' desires and needs, consistently delivering optimal outcomes.

Documentarian

Design 7

August 2022 – December 2022

- Documented on site data, pictures, calculated SQFT for accurate project foundations.
- Researched sustainable materials and implemented into project.
- Created site study diagrams, floor plans, 3D models, and renderings, transforming data into compelling architectural narratives.
